ATTENTION – LATE NEWS!!

Calling all keen cyclists!!!

The **'Leisurely Lake Loiter'** now incorporates a cyclegaine...so if doing a foot Rogaine doesn't appeal to you...do it on a bike!

Many apologies for the late notice, but there was too much interest to ignore, so put an entry in and be prepared for a great event. All information specific to a bike event is below. There is less than 2 weeks to enter now and in an effort to provide the best event for competitors; we would really appreciate entries **by** the closing date of the 13th February.

Here's the deal...

Start time: 5pm - 8pm (3 hours) Maps may be collected 2 hours prior to event start

Rules:

- Safety gear like helmets, lights (front & rear) and functioning brakes are mandatory. If you do not have these, you will not be allowed to compete.
- For this event only, you will be allowed to leave your bike to get to a hard to get to control, BUT ALL team members must attend the control. All other rules pertaining to rogaining will apply.

Other stuff: a map board which attaches to your handle bars which allows safe and quick viewing of the map will definitely be a bonus.

Spare tubes, tyre changing gear and any other stuff that makes a biking life easier.

Remember the NTRA specific rule of a minimum 3 litres of water at event start.

Also... a dry set of clothes for after the event if you plan to visit the elusive 'floating control'

So, come and get your entries in (just designate 'cyclegaine' on top of the entry form when you enter) for a great time.

Contact myself or Jon Potter for further information and see you there.

Christine Marron

NTRA Secretary
